Cloth Diaper Weekly

2nd Edition
April 1st, 2012

Lots of great post this week. Let's check them out!

Special Mention: This week alone I've linked to 5 posts from [I Love Cloth Diapers](#), she has fantastic posts, I hope everyone visits.

Cloth in the News:

[Many Moms Turn to Cloth as Updated, Cuter, Greener Option!](#)

Top Tutorials

[Getting Started with Cloth](#)- I Love Cloth Diapers: What this mom first thought about cloth, what she learned from it, and what she recommends others know about cloth diapering to get started.

[Cloth Diaper Swap Etiquette](#)- Cloth Diaper Addiction: There are so many places to swap, buy and sell diapers, but they all seem like closed communities when you are new. Here are some great tips to get you started, all the information you need.

[Flying with Cloth Diapers](#)- All About Cloth Diapers: It can be more difficult than you'd think, but this mom has been there, so if you are planning on traveling, check this out.

[Traveling with Hybrids](#)- Cloth Diaper Whisperer: In depth look at using Gro-via cloth diapers while traveling. Includes flying and driving long distances.

Top Reviews

[bumGenius Freetime Review](#)- I Love Cloth Diapers!: Beautiful review on new Freetime diapers. Nice and long, very descriptive with Pros and Cons.

[Convert My Diapers Service Review](#): Change-

Diapers: If you've used hook and loop cloth diapers you know they can wear out more quickly than snaps, and if you are using them for more than one child this is a pain. Read about a converting service and how well it worked out.

Top Blog Posts

[Nighttime Cloth Diapering](#)- ThanksMama: What diapers are best for the night time, inserts to use, all from an experienced mom who knows cloth diapering.

[Storing Cloth Diapers for the Future](#)- Thirsties: If you plan on having more children, and using cloth again, this is a nice, quick, guide to storing your cloth for later on.

[Newborn Cloth Diapering Do's and Don'ts](#)- Fuzzibunz: Tiny (newborn) babies are diapered differently, do you know how? Are you ready for a newborn? If so, check out this post, so you are prepared to diaper them.

[Cloth Wipes & Solution](#)- I Love Cloth Diapers!: Solutions both homemade and purchased, and everything you'd want to know about cloth wipes- fantastic post!
